PROFESSIONAL EXPERIENCE

Head Teaching Assistant – Department of Economics, University of Illinois

Aug. 2022 – Present

- Serve as primary liaison among course professor, teaching assistants, and 250+ students
- Lead students through structured lessons on statistical analysis using Microsoft Excel, determining summary statistics and performing hypothesis tests for over 30,000 datapoints
- Independently instruct Math Camp for incoming Economics and Finance PhD cohorts

Risk Management Graduate Intern – Freddie Mac, McLean, VA

Summer 2023

- Leveraged public and internal data sources to examine building energy efficiency improvement costs and benefits, presenting findings to key stakeholders and informing transition risk measurement for 13M+ loan portfolio
- Demonstrated understanding of housing finance fundamentals and commercial real estate modeling techniques through completion of Fannie Mae's Future Housing Leaders Program

Portfolio Management Analyst – Hall Capital Partners, San Francisco, CA

Jul. 2019 – Jul. 2021

- Conducted regular portfolio administration, estate planning, and risk management to responsibly oversee assets exceeding \$15B across eight ultra-high-net-worth client relationships
- Delivered investment balances and performance to portfolio managers and clients through complex monthly and quarterly reports, influencing asset management decisions and cash flow planning
- Selected to onboard a new institutional client, worked cross-functionally to ensure smooth transition of investment plan and data continuity for well-established endowment portfolio

Grader – Department of Economics, College of the Holy Cross

Sep. 2017 – May 2019

- Reviewed and scored problem sets for courses up to 70 students

Head Calculus Tutor – Department of Mathematics, College of the Holy Cross

Sep. 2016 – May 2019

- Assisted students with course material, weekly problem sets, and exam preparation
- Facilitated communication between Workshop Director and team of ten tutors

Research Assistant – Department of Economics, College of the Holy Cross

Summer 2018

- Contributed to data analysis examining the impact of professional sports on New Orleans' economic redevelopment following Hurricane Katrina, published in *New Orleans Sports* (University of Arkansas Press)

Financial Analyst Intern – Hedge Trackers, San Jose, CA

Summer 2017

- Organized and reviewed foreign exchange and interest rate data to assist clients in hedge accounting
