NOTES: ___________________
The Supporting Coursework Requirement enhances your Economics degree by providing a focused concentration of knowledge outside of the economics discipline. The concentration promotes multidisciplinary perspectives, and encourages students to build their skills. **This requirement should align with your future pursuits and interests.** Double Majors, Dual Degrees, and Minor Coursework may be used (but must be approved by an Econ Advisor).

**Please see an Economics Advisor to discuss options which fit your academic and career plans.**

Supporting Coursework is a requirement of all Majors to graduate, and must be approved by an Economics Advisor during an Advising Appointment. We recommend you discuss with an Advisor starting very early in your academic career, planning your schedule as these courses will span multiple semesters. Your approved plan (Major Plan of Study- MPS) is submitted by an Economics Advisor to the LAS College Office, and should be approved by your Junior year as you begin taking your courses (required before graduation).

**Supporting Coursework Requirements:**

- **At least 6 hours in Quantitative Areas:**
  - Any STAT, MATH, or CS beyond specific courses required for the degree
  - Preapproved INFO courses (see Advisor)
  - Any course listed as a Quantitative Reasoning 2 (QR2) Gen Ed
  - Other courses may be submitted to department for approval if they are quantitatively-focused (must include current syllabus)
- **Major Requirements may NOT be used for Supporting Coursework**
  - NO ECON Courses/Cross-listed ECON Courses; NO MATH/STAT/CS fulfilling Econ Requirements
- **Courses Must be taken for a letter grade:** NO credit/no-credit, proficiency, AP, IB, or A-level credit
- **Transfer courses may be used** *(may show as 'CR' or 'TR')* okay if articulated as 1--, 2--, 3--, or 4--
- **Restrictions on other courses:**
  - NO: Composition 1, Seminars, or Independent Studies

**Individual Plan for Supporting Coursework:**
